2020 – 2021

1. Preamble

These Regulations are applicable to the following National Competitions played within the control of Hockey Wales (HW) and should be read in conjunction with the individual tournament regulations

- 1.1 Welsh Championship
- 1.2 Welsh Trophy
- 1.3 Welsh Challenge
- 1.4 Welsh Masters

2. Management and Control

- 2.1 Shall be invested in the HW National Competitions Coordinator
- 2.2 The HW Competitions Technical Action Group (TAG) may appoint Coordinators to assist in the organisation of individual competitions

3. Entry

- 3.1 Any club affiliated with HW may enter
- 3.2 Entry form(s) and any entry fees as advised by HW shall be sent to HW by the designated date on the entry form
- 3.3 All monies will be controlled by HW
- 3.4 All Clubs and players must pay the current HW affiliation fees by 31st October
- 3.5 If a Club enters a competition whereby the winners are invited to participate in a European competition the club, on entering that competition, accepts that European entry is an absolute expectation should they win that competition. Should the invitation be declined then penalties will be imposed. The only grounds for declining to enter a European competition are if that Club has qualified for both the Indoor and an Outdoor competition in the same season. Should this situation arise then HW will seek a replacement which will, where possible, be the runner-up in the relevant Welsh competition
- 3.6 For the EHF qualification the highest ranking EHL team will be automatically allocated the first EHF position. The 2nd ranked EHF position will be allocated to the winner of the Championship, or the runner-up if the highest placed EHL club also wins the Championship
- 3.7 Those clubs with teams in the leagues as detailed in Appendix A will be entitled to enter teams into each of the respective competitions for which they have qualified

- 3.8 Any club member (affiliated with HW) will be allowed to participate in the highest-level tournament for which her club has entered. If a club has more than one team then they must nominate with HW the names of 10 regular players for each team. The selection of each team should be made from the nominated list of players. If a team is short of players for any particular match it may make up their numbers from selecting from a lower team only (**players may play up but may not play down**). The list of names must be received by the National Competitions Coordinator by 1st September or by a date specified by the National Competitions Coordinator. An amended list of players, to allow for injuries etc. may be forwarded to the National Competitions Coordinator between 1st and 14th January detailing the reasons why the player(s) are being withdrawn from the original list. The National Competitions Coordinator will consider any such request and will advise the club if the change has been approved or declined. No additional changes will be allowed outside of these dates. If a club does not enter teams into all levels for which they are eligible they must still register the players for every team
- 3.9 The Championship competition will be played on a knock-out basis
- 3.10 The format of the Trophy and Challenge competitions will be determined by the National Competitions Coordinator once entries have been received
- If no entries from North region, 4 teams from South region will qualify for semi-finals
 - If one entry from North, that team will automatically qualify for the semi-finals, with 3 teams from South region
 - If two teams from North enter, they will play each other, with the winner qualifying for the semi-finals, with 3 teams from South region
 - If three or more teams from North enter, they will have a pool round(s) to determine the semi-finalist(s)
- 3.11 **No team shall automatically qualify for any final**
- 3.12 A maximum of 18 players (a weekend) may be used by a team, of whom 2 must be goalkeepers wearing full protective equipment. If a team chooses not to include a second goalkeeper in the 18 players, they are limited to using 16 players (a weekend). Any variations will be advised by the National Competitions Coordinator prior to the start of the competition
- 3.13 Only players aged 35 or over during the calendar year of the competition, may play in the Welsh Masters Cup. The format of the competition will be determined by the National Competitions Coordinator once entries have been received

- 4.2 The team drawn first is the Home team (dependent on the format of the respective competition)
- 4.3 **No team shall automatically qualify for any final**
- 4.4 If two teams, from the same club, qualify for the last four places in a competition, they will play each other in the semi-finals

5. Rules of Play

- 5.1 All matches shall be played in accordance with the Rules of Hockey as issued by the FIH unless otherwise advised by the National Competitions Coordinator (Round 1, Round 2 and Quarter-Final Championship knock-out matches will be 35 minutes each way)
- 5.2 In the event of HW adopting experimental rules, matches will be played to such rules during their currency. The final of the Women's Championship may be played in accordance with the rules appertaining to EHF club competitions for that season
- 5.3 If there is a clash of colours, the Away / second named team shall change to different colours. This must include shirts and socks

6. Dates of Matches

Matches shall be played on the dates designated in the HW Priority Calendar with the exception of the Universities and Colleges who may be allowed some dispensation to agree different dates, with their opposition and the National Competitions Coordinator, for their 1st round Championship matches, should the scheduled date be outside their term dates

7. Priority

- 7.1 The Championship, Trophy and Challenge competitions, shall take priority over all other hockey played under the auspices of HW
- 7.2 No postponement in the event of a clash with a re-arranged league match will be allowed where the respective HW competition date has been advised in the Priority Calendar as initially published
- 7.3 Exceptions: NAGs, Senior and U21 national squads, training and matches, may have priority provided that these dates are included in the Priority Calendar as initially published

- 8.3 All matches to be confirmed, by Home team, with Away team and Umpires at least 10 days prior to match
- 8.4 If a team is not ready to start a Championship match 15 minutes after the agreed start time, that team will forfeit the match to their opponents. If this rule applies the team claiming the match **must** advise their opponents of their intentions as soon as their opponents arrive on the pitch
- 8.5 If insufficient pitch time is booked for the completion of the game, including shoot-outs, then the home team will forfeit the game
- 8.6 In the event of a draw at the end of full time in any knock-out match a shoot-out competition will take place, as per Regulations, unless the National Competition Coordinator advises otherwise
- 8.7 If the format of the competition involves teams playing at the same venue, on the same day (e.g. pool or group games) then the Coordinator will advise teams of start times etc. which may be outside those mentioned above

9. Grounds

- 9.1 The Competitions TAG will decide the venue for the finals of all competitions and may also decide upon semi-final venues, as well as any stage of any of the competitions held as pools or groups
- 9.2 All matches must be played on artificial turf pitches

10. Matches – Postponement, Failure to fulfil, Conceding, Abandonment

- 10.1 Postponed – a “stand alone” match may be postponed due to adverse weather conditions. The Home team has the sole right to determine if the pitch is unplayable. The Home team should ascertain from the visiting team the time they intend to depart for the pitch venue and the visitors and umpires should be notified before their departure that the pitch will be unfit due to weather
- 10.2 Postponed – a match may be postponed if adverse weather conditions prevent the away team from travelling
- 10.3 Postponed – a match may be postponed if a club has 2 or more players involved with a national squad (see 7.3)

The National Competitions Coordinator will determine if the request for postponement has been approved. A request for a postponement may also incur a fine (see 12.5a) and match expenses (see 12.4). Postponements are unlikely to be granted, for such reasons as: players on holiday, weddings, university exams, international rugby weekends and reasons of personal choice making players unavailable. Any postponed match must normally be played within 14 days as per section 8
- 10.5 There will be no postponements for matches which form part of pool tournaments
- 10.6 **Conceding a match is unacceptable** – the offending club will be fined (see 12.5b) and may incur match expenses (see 12.4)
- 10.7 Abandonment is the responsibility of the Umpires. If a game is abandoned with more than 10 minutes remaining, it is to be replayed normally within 14 days. If 10 minutes or less remain, the team with the most goals shall be the winner, if a draw, the game is to be replayed, normally within 14 days

The rearranged fixture should be played within 14 days and the National Competitions Coordinator informed. If clubs are unable to agree a date, the National Competitions Coordinator will fix a date for playing the match. Any club refusing to play on a date fixed by the National Competitions Coordinator shall be deemed to have lost the match

11. Umpires / Officials

- 11.1 Umpires / Officials must be qualified, as per the WHUA / HW current list of active umpires / officials or hold an equivalent qualification from any National Association and be affiliated to both the WHUA and HW

- 11.3 The WHUA may appoint umpires to any match but will provide umpires for the semi-final round onwards in each competition

11.4 Non-arrival of an appointed umpire(s) at the designated time:

- (a) The start shall be delayed for 10 minutes

If the appointed umpire(s) has not arrived at the end of that 10 minutes the following shall apply:

- (b) The Home team captain shall ascertain, from amongst the spectators, if there is a qualified umpire(s) available who is willing to officiate. That umpire(s) shall then become the "temporary umpire(s)"
- (c) If no such umpire is available then the Home team captain, in consultation with the captain of the Away team and the umpire, shall nominate from amongst their playing squads, a qualified umpire(s) to act as "temporary umpire(s)". A player(s) may be withdrawn from either or both playing squads for this purpose. If a "temporary umpire(s)" has been withdrawn from one playing squad the other team shall withdraw one of its playing squad
Note: for the purpose of this regulation both teams shall have an equal number of players on the pitch provided they both have an equal number of players available. If one team has fewer than eleven players available, then that differential must be maintained
- (d) In the event of the appointed umpire(s) arriving before the commencement of the 2nd half the appointed umpire(s) will take over the match and the "temporary umpire(s)" and the withdrawn player(s) may re-join the game
- (e) If no replacement qualified umpire is available, the match shall be postponed (see 10)
