Eddy started as a junior at Southampton but finding his feet at Trojans before heading to university in Cardiff.

A move from the university side to neighbouring club, Cardiff & Met, saw Eddy make his first national league appearance.

Whilst with Cardiff & Met, he competed in various national and European tournaments both indoor and outdoor. This included, winning the EuroHockey Club Trophy in Switzerland alongside several fellow Dragons.

Having gained his first cap in Poland 2018, the highlight of his career so far has been competing in the FIH Series Open Zagreb.
