*Follow Michael*

Since starting hockey aged nine, Michael progressed through the Hockey Wales 360 Pathway and National Age Group Programme, earning caps at U16 and U18 age groups, before making the transition to the U21 and the Senior Men's squads.

Currently studying at the University of Birmingham, Michael is equally at home playing Indoor and Outdoor, and he brings extensive National League playing experience from both England and Spain to the Men's squad.

Now looking to establish himself in the squad, Michael is also an England Hockey Level II Coach who also umpires regularly and fully retains the passion and commitment to hockey that began all those years ago during his first junior club session with Dysynni HC.
